

Woree Sports & Aquatic Centre Things you must know.

- NEVER COME TO THIS FACILITY IF YOU ARE FEELING ILL WITH FLU LIKE SYSTEMS. IF YOU DO PLEASE UNDERSTAND WE RESERVE THE RIGHT TO REFUSE ENTRY TO ILL PATRONS FOR OBVIOUS REASONS.**
- At all times in changerooms, when seated around pools, in grandstand we ask that you practice physical distancing and keep the appropriate distance from others.
- Changerooms and showers are now open.** We will be cleaning changerooms and touch points regularly but the safest way to avoid contact is to not use them if possible.
- Lane Etiquette –
 - School age children now have no limit** on the number in lanes so if you see that happening in squads etc it is because it is now legal to do so. There are still limits on all other swimmers.
 - Stopping – If you are stopping at either end please move 1.5m from end of pool to minimize contact with other swimmers who may also stop.
 - Please be responsible and minimize congregating at either end of pool where possible.
 - Please place your towel and bags etc a distance from others to ensure social distancing.
- Changerooms –
 - Physical distancing always.
 - Minimise use wherever possible.
 - Shower at home if possible
- Carers and Parents
 - Please observe maximum number signs in the indoor pool area – 20 people
 - Please ensure max 2 people per bench seat in these areas.
- Learn to Swim
 - It is now allowed for our teachers to be within 1.5m of our students and to touch them in process of teaching
 - “Indoor pools and areas more than 200 square metres: capacity limited to a maximum of 1 person per 4 square metres”* This will equal 20 people.
 - We ask only one parent or carer attend with each child where possible and ask you to please be aware of maximum numbers in this area.
 - Please minimise use of changerooms wherever possible.

Woree Sports and Aquatic Centre is following the official Industry Approved Aquatic Plan. We ask all patrons to please work with us, abide by the requirements and keep our pool open and safe. Failure to follow requests will result in patrons being asked to leave this facility.
